COSMO KLEIN

BIOGRAFIA

Next to his abilities as a songwriter Cosmo is the most versatile singer in Germany, which he is able to present live in a brilliant way. The concept Liveclubbing is a mash up between electronical music and Live – Entertainment.

Cosmo rocks the finest clubs throughout Europe in the liveclubbing manner. The quality of his performance and his extraordinary feeling for the spirit of the time let him be unrivaled in this scene up to now. Within the spectrum of Liveclubbing, Cosmo released amongst others, the song "Beautiful Lie" in cooperation with Tim Royko & Keemo, which was remixed by big names of the scene like Joachim Garraud or Inpetto and found it's way, next to other compilations, onto David Guetta's world wide released "F#ck me I'm famouse" and was celebrated by Dj legends like Roger Sanchez & Axwell as one of the best house tracks of the year 2009.

With the following release in cooperation with Syke n Sugarstarr & DBN, Cosmo just recently hit the dancecharts in several countries including Britain, Switzerland, Australia, Austria and staying Germany's number one for several weeks.

The next cooperation with Tim Royko, "Sexual Insanity", will appear on the 8th of August 2010 worldwide, on the legendary Label Pacha Rec. Further more Cosmo wrote the single for the french Dj Star Richard Grey, "Turn this world around", which will be released in the fall 2010 on the american label Subliminal.
